

Private Waterfront Living

Temple, New Hampshire

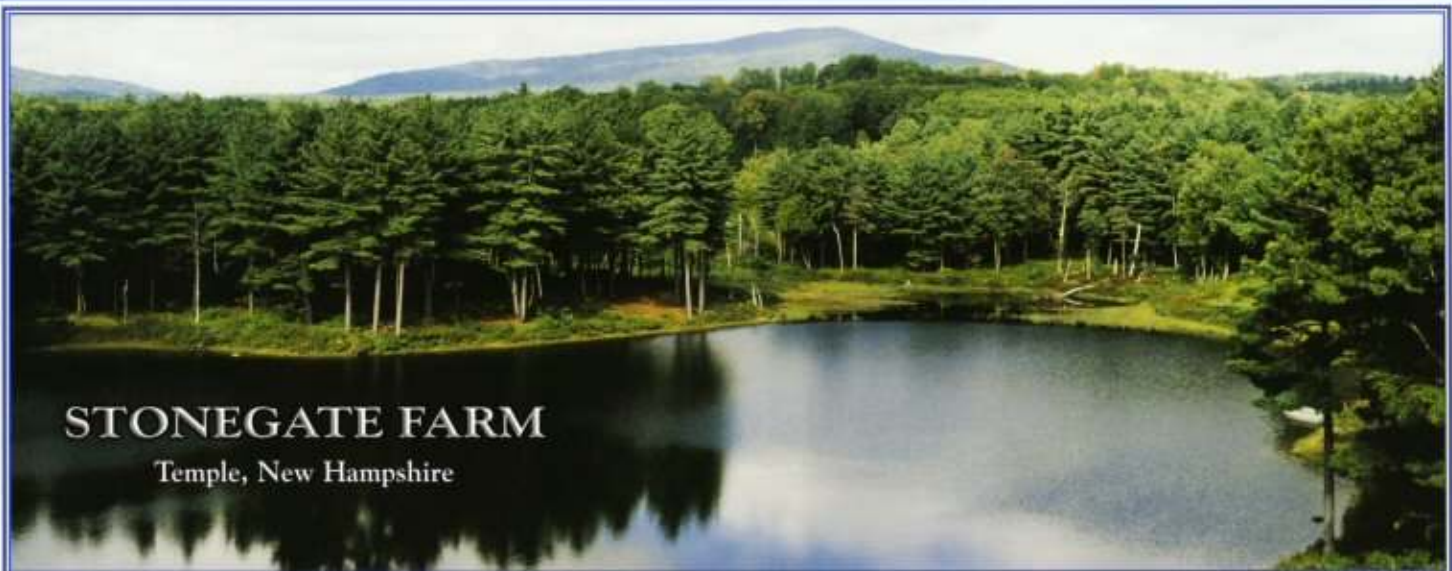

Surrounded by vast conservation open space, this outstanding Stonegate Farm new-to-the-market waterfront parcel presents some of the most exciting building opportunities for the discriminating investor. The lot has incredible mountain views in four towns, shares a private trout pond, carriage house and historic covered bridge. Outstanding equestrian and kennel facilities available. Complete in-house construction and management services— bring your building plans, choose one of ours, or purchase for future investment.

Why not enjoy commanding views, gorgeous conservation lands, privacy and the most beautiful New England scenery imaginable?
